### LEGEND FEMALE ROCKER TRAVELS IN STYLE DURING AUSSIE TOUR

Wanda Jackson, US queen of rock 'n' roll and gospel in the 1950's and 60's, has chosen one of Victoria's favourite limousine hire companies, Classic Cruzin Limousine Hire, as her exclusive personal chauffeur service during her June Australian tour.

Wanda will be driven in sheer opulence and comfort in the sleek black LTD, which seats ten. The Ford is decked out with all the luxuries, including exotic leather seats, full bar and TV.

With number one hits such as 'Let's Have a Party', 'Bridal Rock', 'Mean, Mean, Mean' and 'Fujiyama Mama', Wanda Jackson also counts Elvis Presley as one of her friends, who originally encouraged her to pursue a career in rock 'n' roll and rockabilly.

Classic Cruzin Limousine Hire is no stranger to chauffeuring legends of rock, having

chauffeured Aussie 1950's and 60's rocker, Merv Benton, during his tour last year.

According to founder and Director of Classic Cruzin Limousine Hire, Jacqueline Sheppard and Manager Greg Sheppard, their personal love for rock 'n' roll, adds to excitement in chauffeuring a musical icon such as Wanda Jackson during her Australian tour.

"Since we set up the business in December 2008, we have been able to cater for such a diverse mix of groups and couples, from the traditional bridal couple, to debutantes and birthdays", they said.

"Our limousine service is such an elegant and stylish form of travel, where we are able to add that touch of class and unique level of high-end service."

“Based in the picturesque suburb of Silvan, Classic Cruzin Limousine Hire is able to venture Victoria-wide for all limousine needs. Our service will speak for itself.”

Wanda Jackson will perform at the Corner Hotel in Richmond, June 18<sup>th</sup> and at Crown on the 26<sup>th</sup> June.
